KOREAN COMMENTS ON THIS CHAPTER

"Can I get a hands up for those who thought that Seok Joogh was cute while ranking that chapter?"

"If the couple breaks up, I refuse to read this webtoon T^T"

"Ichimi- how will it the solution for sure..."

"Ichimiii, I warned you, if you let go of Mori I'll give her straight to Ichiso !!"

"It's finally out, but, I finished this chapter in 10 seconds. Whatthe we gonna do with poor Mori T^T"

"why are white and the lot in vain lol"

"My fingers are scrolling down at the speed of LTE"

"Wow, I'm quite disappointed in Ichimi.. in the times when he thought Mori was a vampire, he stung some hook to her when the payload line rang, but now that he knows that Mori is human, he's not doing that. Maybe he should've just come back to her from the start.. why hurt Mori.. Kid the ones suck your blood.. Kaos doesn't even matter.."
